Allows the county fiscal body to phase out the property tax on inventory by allowing assessed value deductions in five increasing gradations over a ten year period. Reduces the property tax levies of all taxing units having assessed value in an adopting county. Allows the county fiscal body to adopt an ordinance imposing an income tax to recover the net property tax revenue lost by the phase out of the property tax on inventory. Provides that the income tax will increase over the ten year period to recover the revenue lost by each increase of the assessed value deduction. Requires the state to distribute revenue to income tax adopting counties to replace property tax replacement credits. Makes an appropriation.

SENATE BILL No. 195

A BILL FOR AN ACT to amend the Indiana Code concerning taxation.

4 **Chapter 12.2. Inventory Tax Phase Out**

5 **Sec. 1. "Inventory" has the meaning set forth in IC 6-1.1-3-11.**

6 **Sec. 2. The county council of a county may adopt an ordinance**
7 **to phase out the property tax on inventory imposed under**
8 **IC 6-1.1-3. If the county council adopts an ordinance under this**
9 **chapter to phase out the property tax on inventory, the county**
10 **council may adopt an ordinance under IC 6-3.5-9 to impose an**
11 **income tax to replace revenue lost by the phase out of the property**
12 **tax on inventory.**

13 **Sec. 3. (a) The property tax assessment against inventory**
14 **located in the county may be phased out over a ten (10) year period**
15 **in five (5) gradations. To phase out the property tax on inventory,**
16 **business owners are allowed a deduction from the assessed value**
17 **of the inventory equal to a percentage of assessed valuation**

specified in subsection (b). The deduction percentage is increased in five (5) gradations over the ten (10) year period. The deduction allowed in each year is prescribed in subsection (b).

(b) The first year the deduction may be claimed is for property taxes due and payable on inventory in the year following the year in which the ordinance is adopted under this section. The percentage to be used to determine the amount of the deduction allowed under subsection (a) is as follows:

YEAR OF DEDUCTION	PERCENTAGE
1st	20%
2nd	20%
3rd	40%
4th	40%
5th	60%
6th	60%
7th	80%
8th	80%
9th	80%
10th and thereafter	100%

(c) To phase out the property tax on inventory located in a county, the county council must, after January 1 but before March 1 of a year, adopt an ordinance. The ordinance must substantially state the following:

"The _____ County Council phases out the property tax on inventory located in _____ County. The business owners of _____ County may claim a deduction from the assessed value of inventory. The amount of the credit will increase in five (5) gradations over the next ten (10) years under IC 6-1.1-12.2. This deduction takes effect March 1 of this year for property taxes payable beginning next year."

(d) An ordinance adopted under this section takes effect March 1 of the year the ordinance is adopted.

(e) The auditor of a county shall record all votes taken on ordinances presented for a vote under the authority of this section and immediately send a certified copy of the results to the department by certified mail.

Sec. 4. (a) The county inventory property tax deduction adopted by a county council under this chapter remains in effect until repealed.

(b) Except as provided in subsection (e), the county council may repeal the county inventory tax deduction by adopting an ordinance to repeal the tax after January 1 but before March 1 of

1 a year.

2 (c) An ordinance adopted under this section takes effect March
3 1 of the year the ordinance is adopted.

4 (d) The county auditor shall record all votes taken on
5 ordinances presented for a vote under the authority of this section
6 and immediately send a certified copy of the results to the
7 department by certified mail.

8 (e) A county council may not repeal the county inventory
9 property tax deduction until ten (10) years after the date the
10 deduction took effect.

11 Sec. 5. The county auditor shall determine each taxing unit's
12 (as defined in IC 6-3.5-9-5) share of the lost revenue due to the
13 deduction in both dollars and percentage share.

14 Sec. 6. The general fund levy of a school corporation located
15 in a county that adopts the inventory assessed value deduction
16 under this chapter must be reduced by the amount of property tax
17 revenue lost as a result of the deduction provided by this chapter.
18 This reduction shall be made after all computations relating to
19 state tuition support under IC 6-1.1-19 or IC 21-3-1.7.

20 SECTION 2. IC 6-1.1-18.5-3 IS AMENDED TO READ AS
21 FOLLOWS [EFFECTIVE JANUARY 1, 2000]: Sec. 3. (a) Except as
22 otherwise provided in this chapter, a civil taxing unit that is treated as
23 not being located in an adopting county under section 4 of this chapter
24 may not impose an ad valorem property tax levy for an ensuing
25 calendar year that exceeds the amount determined in the last STEP of
26 the following STEPS:

27 STEP ONE: Add the civil taxing unit's maximum permissible ad
28 valorem property tax levy for the preceding calendar year to the
29 part of the civil taxing unit's certified share, if any, that was used
30 to reduce the civil taxing unit's ad valorem property tax levy
31 under STEP EIGHT of subsection (b) **and under STEP EIGHT**
32 **of this subsection, if applicable**, for that preceding calendar
33 year.

34 STEP TWO: Multiply the amount determined in STEP ONE by
35 the amount determined in the last STEP of section 2 of this
36 chapter.

37 STEP THREE: Determine the lesser of one and fifteen
38 hundredths (1.15) or the quotient (rounded to the nearest
39 ten-thousandth) of the assessed value of all taxable property
40 subject to the civil taxing unit's ad valorem property tax levy for
41 the ensuing calendar year divided by the assessed value of all
42 taxable property that is subject to the civil taxing unit's ad

valorem property tax levy for the ensuing calendar year and that is contained within the geographic area that was subject to the civil taxing unit's ad valorem property tax levy in the preceding calendar year.

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount determined under subsection (c).

STEP SEVEN: Determine the greater of the amount determined under STEP FIVE or the amount determined under STEP SIX.

STEP EIGHT: This STEP applies to a civil taxing unit that is located in a county that is phasing out property taxes on inventory under IC 6-1.1-12.2. Subtract the amount of property tax revenue attributable to providing the inventory tax deduction under IC 6-1.1-12.2 for the preceding calendar year with respect to the civil taxing unit from the amount determined under STEP SEVEN of this subsection.

(b) Except as otherwise provided in this chapter, a civil taxing unit that is treated as being located in an adopting county under section 4 of this chapter may not impose an ad valorem property tax levy for an ensuing calendar year that exceeds the amount determined in the last STEP of the following STEPS:

STEP ONE: Add the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year to the part of the civil taxing unit's certified share, if any, used to reduce the civil taxing unit's ad valorem property tax levy under STEP EIGHT and STEP NINE, if applicable, of this subsection for that preceding calendar year.

STEP TWO: Multiply the amount determined in STEP ONE by the amount determined in the last STEP of section 2 of this chapter.

STEP THREE: Determine the lesser of one and fifteen hundredths (1.15) or the quotient of the assessed value of all taxable property subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year divided by the assessed value of all taxable property that is subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year and that is contained within the geographic area that was subject to the civil taxing unit's ad valorem property tax levy in the preceding calendar year.

C
o
p
y

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount determined under subsection (c).

STEP SEVEN: Determine the greater of the amount determined under STEP FIVE or the amount determined under STEP SIX.

STEP EIGHT: Subtract the amount determined under STEP FIVE of subsection (e) from the amount determined under STEP SEVEN of this subsection.

STEP NINE: This STEP applies to a civil taxing unit that is located in a county that is phasing out property taxes on inventory under IC 6-1.1-12.2. Subtract the amount of property tax revenue attributable to providing the inventory tax deduction under IC 6-1.1-12.2 for the preceding calendar year with respect to the civil taxing unit from the amount determined under STEP EIGHT of this subsection.

(c) If a civil taxing unit in the immediately preceding calendar year provided an area outside its boundaries with services on a contractual basis and in the ensuing calendar year that area has been annexed by the civil taxing unit, the amount to be entered under STEP SIX of subsection (a) or STEP SIX of subsection (b), as the case may be, equals the amount paid by the annexed area during the immediately preceding calendar year for services that the civil taxing unit must provide to that area during the ensuing calendar year as a result of the annexation. In all other cases, the amount to be entered under STEP SIX of subsection (a) or STEP SIX of subsection (b), as the case may be, equals zero (0).

(d) This subsection applies only to civil taxing units located in a county having a county adjusted gross income tax rate for resident county taxpayers (as defined in IC 6-3.5-1.1-1) of one percent (1%) as of January 1 of the ensuing calendar year. For each civil taxing unit, the amount to be added to the amount determined in subsection (e), STEP FOUR, is determined using the following formula:

STEP ONE: Multiply the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year by two percent (2%).

STEP TWO: For the determination year, the amount to be used as the STEP TWO amount is the amount determined in subsection (f) for the civil taxing unit. For each year following the determination year the STEP TWO amount is the lesser of:

- 1 (A) the amount determined in STEP ONE; or
- 2 (B) the amount determined in subsection (f) for the civil
- 3 taxing unit.
- 4 STEP THREE: Determine the greater of:
- 5 (A) zero (0); or
- 6 (B) the civil taxing unit's certified share for the ensuing
- 7 calendar year minus the greater of:
- 8 (i) the civil taxing unit's certified share for the calendar
- 9 year that immediately precedes the ensuing calendar
- 10 year; or
- 11 (ii) the civil taxing unit's base year certified share.
- 12 STEP FOUR: Determine the greater of:
- 13 (A) zero (0); or
- 14 (B) the amount determined in STEP TWO minus the
- 15 amount determined in STEP THREE.
- 16 Add the amount determined in STEP FOUR to the amount determined
- 17 in subsection (e), STEP THREE, as provided in subsection (e), STEP
- 18 FOUR.
- 19 (e) For each civil taxing unit, the amount to be subtracted under
- 20 subsection (b), STEP EIGHT, is determined using the following
- 21 formula:
- 22 STEP ONE: Determine the lesser of the civil taxing unit's base
- 23 year certified share for the ensuing calendar year, as determined
- 24 under section 5 of this chapter, or the civil taxing unit's certified
- 25 share for the ensuing calendar year.
- 26 STEP TWO: Determine the greater of:
- 27 (A) zero (0); or
- 28 (B) the remainder of:
- 29 (i) the amount of federal revenue sharing money that
- 30 was received by the civil taxing unit in 1985; minus
- 31 (ii) the amount of federal revenue sharing money that
- 32 will be received by the civil taxing unit in the year
- 33 preceding the ensuing calendar year.
- 34 STEP THREE: Determine the lesser of:
- 35 (A) the amount determined in STEP TWO; or
- 36 (B) the amount determined in subsection (f) for the civil
- 37 taxing unit.
- 38 STEP FOUR: Add the amount determined in subsection (d),
- 39 STEP FOUR, to the amount determined in STEP THREE.
- 40 STEP FIVE: Subtract the amount determined in STEP FOUR
- 41 from the amount determined in STEP ONE.
- 42 (f) As used in this section, a taxing unit's "determination year"

C

P
Y

1 means the latest of:

- 2 (1) calendar year 1987, if the taxing unit is treated as being
 3 located in an adopting county for calendar year 1987 under
 4 section 4 of this chapter;
 5 (2) the taxing unit's base year, as defined in section 5 of this
 6 chapter, if the taxing unit is treated as not being located in an
 7 adopting county for calendar year 1987 under section 4 of this
 8 chapter; or
 9 (3) the ensuing calendar year following the first year that the
 10 taxing unit is located in a county that has a county adjusted gross
 11 income tax rate of more than one-half percent (0.5%) on July 1
 12 of that year.

13 The amount to be used in subsections (d) and (e) for a taxing unit
 14 depends upon the taxing unit's certified share for the ensuing calendar
 15 year, the taxing unit's determination year, and the county adjusted gross
 16 income tax rate for resident county taxpayers (as defined in
 17 IC 6-3.5-1.1-1) that is in effect in the taxing unit's county on July 1 of
 18 the year preceding the ensuing calendar year. For the determination
 19 year and the ensuing calendar years following the taxing unit's
 20 determination year, the amount is the taxing unit's certified share for
 21 the ensuing calendar year multiplied by the appropriate factor
 22 prescribed in the following table:

		Subsection (e)
Year		Factor
For the determination year and each ensuing calendar year following the determination year		0

SECTION 3. IC 6-3.5-9 IS ADDED TO THE INDIANA CODE
AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE
JANUARY 1, 2000]:

Chapter 9. Inventory Tax Replacement Income Tax

Sec. 1. As used in this chapter, "adjusted gross income" has the meaning set forth in IC 6-3-1-3.5(a).

Sec. 2. As used in this chapter, "county council" includes the city-county council of a consolidated city.

Sec. 3. As used in this chapter, "county taxpayer" as it relates to a county for a year means an individual who resides in that county on the date specified in section 15 of this chapter.

Sec. 4. As used in this chapter, "department" refers to the department of state revenue.

Sec. 5. As used in this chapter, "taxing unit" means an entity having the power to impose ad valorem property taxes, including school corporations. However, in the case of a consolidated city, the term "taxing unit" includes the consolidated city and all special taxing districts, all special service districts, and all entities whose budgets and property tax levies are subject to review under IC 36-3-6-9.

Sec. 6. (a) The county council of a county that chooses to adopt an ordinance to phase out the property tax on inventory under IC 6-1.1-12.2 may impose an income tax on the adjusted gross income of county taxpayers.

(b) The county council shall use data compiled by the state board of tax commissioners to determine the amount of deductions the board estimates will be taken in the first year of the inventory tax phase out and the initial income tax rate necessary to replace the net property tax revenue loss from the deductions in the first year. The county council may impose an income tax on each county taxpayer's adjusted gross income at an initial rate not to exceed the rate determined to be necessary to replace the lost net property tax revenue in the first year. The income tax rate must be rounded upward in one hundredth of one percent (0.01%) increments.

(c) To impose the income tax, the county council must, after January 1 but before April 1 of a year, adopt an ordinance. The ordinance must substantially state the following:

"The _____ County Council imposes an inventory tax replacement income tax on the county taxpayers of _____ County to replace the revenue lost from providing an

1 inventory tax deduction over the next ten (10) years. The
 2 income tax is imposed at an initial rate of ____ percent
 3 (____%) on the county taxpayers. Every two (2) years for
 4 the next ten (10) years, the tax rate will automatically
 5 increase by the initial rate amount effective July 1. This tax
 6 takes effect July 1 of this year."

7 (d) An ordinance adopted under this section takes effect July
 8 1 of the year the ordinance is adopted.

9 (e) The county auditor shall record all votes taken on
 10 ordinances presented for a vote under the authority of this section
 11 and immediately send a certified copy of the results to the
 12 department by certified mail.

13 Sec. 7. (a) The county council may decrease the inventory tax
 14 replacement income tax rate imposed upon the resident county
 15 taxpayers of the county. To decrease the rate, the county council
 16 must, after January 1 but before April 1 of a year, adopt an
 17 ordinance. The ordinance must substantially state the following:

18 "The _____ County Council decreases the inventory tax
 19 replacement income tax rate imposed upon the resident
 20 county taxpayers of the county from ____ percent (____%)
 21 to ____ percent (____%). This tax rate decrease takes effect
 22 July 1 of this year."

23 (b) A county council may not decrease the income tax rate
 24 imposed under this chapter if the county or any commission,
 25 board, department, or authority that is authorized by statute to
 26 pledge the inventory tax replacement income tax has pledged the
 27 income tax for any purpose permitted by IC 5-1-14 or any other
 28 statute.

29 (c) An ordinance adopted under this section takes effect July
 30 1 of the year the ordinance is adopted.

31 (d) The county auditor shall record all votes taken on
 32 ordinances presented for a vote under the authority of this section
 33 and immediately send a certified copy of the results to the
 34 department by certified mail.

35 Sec. 8. (a) The income tax imposed by a county council under
 36 this chapter remains in effect until repealed.

37 (b) The county council may rescind the county income tax by
 38 adopting an ordinance to repeal the tax after January 1 but before
 39 June 1 of a year.

40 (c) Any ordinance adopted under this section takes effect July
 41 1 of the year the ordinance is adopted.

42 (d) The county auditor shall record all votes taken on

ordinances presented for a vote under the authority of this section and immediately send a certified copy of the results to the department by certified mail.

Sec. 9. (a) Except as provided in subsections (b) through (c), if the income tax is not in effect during a county taxpayer's entire taxable year, then the amount of income tax imposed under this chapter that the county taxpayer owes for that taxable year equals the product of:

(1) the amount of income tax the county taxpayer would owe if the tax had been imposed during the county taxpayer's entire taxable year; multiplied by

(2) a fraction:

(A) the numerator of the fraction equals the number of days during the county taxpayer's taxable year during which the income tax was in effect; and

(B) the denominator of the fraction equals the total number of days in the county taxpayer's taxable year.

(b) If a county taxpayer:

(1) is unemployed for a part of the taxpayer's taxable year;

(2) was not discharged for just cause (as defined in IC 22-4-15-1(d)); and

(3) has no earned income for the part of the taxpayer's taxable year that the tax was in effect;

the county taxpayer's adjusted gross income for the taxable year is reduced by the amount of the taxpayer's earned income for the taxable year.

(c) A taxpayer who qualifies under subsection (b) must file a claim for a refund for the difference between the income tax owed under this chapter, as determined under subsection (a), and the tax owed, as determined under subsection (b). A claim for a refund must be on a form approved by the department and include all supporting documentation reasonably required by the department.

Sec. 10. (a) A special account within the state general fund shall be established for each county adopting the income tax under this chapter. Any revenue derived from the imposition of the income tax under this chapter by a county shall be deposited in that county's inventory tax replacement account in the state general fund.

(b) Income earned on money held in an account under subsection (a) becomes a part of that account.

(c) Revenue remaining in an account established under subsection (a) at the end of a fiscal year does not revert to the state

1 general fund.

2 **Sec. 11. (a)** Revenue derived from the imposition of the income
3 tax shall, in the manner prescribed by this section, be distributed
4 to the county that imposed it. The amount to be distributed to a
5 county during an ensuing calendar year equals the amount of
6 income tax revenue under this chapter that the department, after
7 reviewing the recommendation of the state budget agency,
8 estimates will be received from that county during the twelve (12)
9 month period beginning July 1 of the immediately preceding
10 calendar year and ending June 30 of the ensuing calendar year.

11 **(b)** Before July 2 of each calendar year, the department, after
12 reviewing the recommendation of the state budget agency, shall
13 estimate and certify to the county auditor of each adopting county
14 the amount of income tax revenue under this chapter that will be
15 collected from that county during the twelve (12) month period
16 beginning July 1 of that calendar year and ending June 30 of the
17 immediately succeeding calendar year. The amount certified is the
18 county's certified distribution for the immediately succeeding
19 calendar year. The amount certified may be adjusted under
20 subsection (c) or (d).

21 **(c)** The department may certify to an adopting county an
22 amount that is greater than the estimated twelve (12) month
23 revenue collection if the department, after reviewing the
24 recommendation of the budget agency, determines that there will
25 be a greater amount of revenue available for distribution from the
26 county's account established under section 10 of this chapter.

27 **(d)** The department may certify an amount less than the
28 estimated twelve (12) month revenue collection if the department,
29 after reviewing the recommendation of the budget agency,
30 determines that a part of those collections needs to be distributed
31 during the current calendar year so that the county will receive its
32 full certified distribution for the current calendar year.

33 **Sec. 12. (a)** One-half (1/2) of each adopting county's certified
34 distribution for a calendar year shall be distributed from its
35 account established under section 10 of this chapter to the
36 appropriate county treasurer on May 1 and the other one-half (1/2)
37 on November 1 of that calendar year.

38 **(b)** All distributions from an account established under section
39 10 of this chapter shall be made by warrants issued by the auditor
40 of state to the treasurer of state ordering the appropriate
41 payments.

42 **Sec. 13.** A county's certified distribution must be distributed

C
o
p

among all of the taxing units located in the county that lost inventory tax revenue as a result of the inventory tax phase out under IC 6-1.1-12.2. Each taxing unit's share of the distribution is the same percentage share of the lost revenue that is determined by the county auditor under IC 6-1.1-12.2-5. Taxing units must allocate money received under this chapter in the same manner as property taxes are allocated.

Sec. 14. (a) An adopting county is entitled to a state distribution to replace the state property tax replacement credits under IC 6-1.1-21 that the county will not receive as a result of providing an inventory assessed value deduction under IC 6-1.1-12.2. The amount of the distribution equals the following:

STEP ONE: Subtract the county's property tax replacement credit percentage computed under IC 6-1.1-21 from one (1).

STEP TWO: Divide the county's certified distribution by the STEP ONE amount.

STEP THREE: Multiply the STEP TWO amount by the county's property tax replacement credit percentage.

(b) The distribution shall be made to the county at the same time and in the same manner as property tax replacement credits are distributed under IC 6-1.1-21. The county shall treat the distribution as property tax replacement credits.

(c) Money is appropriated from the property tax replacement credit fund to make the distributions.

Sec. 15. (a) For purposes of this chapter, an individual shall be treated as a resident of the county in which the individual:

(1) maintains a home, if the individual maintains only one (1) in Indiana;

(2) if subdivision (1) does not apply, is registered to vote;

(3) if subdivision (1) or (2) does not apply, registers the individual's personal automobile; or

(4) if subdivision (1), (2), or (3) does not apply, spends the majority of the individual's time spent in Indiana during the taxable year in question.

(b) The residence of an individual is determined on January 1 of the calendar year in which the individual's taxable year commences. If an individual changes the individual's location of residence to another county in Indiana during a calendar year, the individual's liability for the income tax is not affected.

Sec. 16. (a) Except as provided in this chapter, all provisions of the adjusted gross income tax law (IC 6-3) concerning:

(1) definitions;

- (2) declarations of estimated tax;
- (3) filing of returns;
- (4) remittances;
- (5) incorporation of the provisions of the Internal Revenue Code;
- (6) penalties and interest;
- (7) exclusion of military pay credits for withholding; and
- (8) exemptions and deductions;

apply to the imposition, collection, and administration of the tax imposed by this chapter.

(b) The provisions of IC 6-3-1-3.5(a)(5), IC 6-3-3-3, IC 6-3-3-5, and IC 6-3-5-1 do not apply to the tax imposed by this chapter.

(c) Notwithstanding subsections (a) and (b), each employer shall report to the department the amount of withholdings attributable to each county. This report shall be submitted annually along with the employer's annual withholding report.

Sec. 17. Before February 1 of each year, the department shall submit a report to each county treasurer indicating the balance in the county's inventory replacement tax account as of the end of the preceding year.

SECTION 4. [EFFECTIVE JANUARY 1, 2000] IC 6-1.1-18.5-3, as amended by this act, and IC 6-1.1-12.2, as added by this act, apply to inventory assessments after December 31, 1999. IC 6-3.5-9, as added by this act, applies to taxable years beginning after December 31, 1999.
